Welcome

Greenwood Hills Community Club, known as GHCC, is a year-round social club steeped in tradition, a unique place in the heart of Richardson built on a foundation of Fun, Fellowship & Community. You will find there is no better place in the area to swim, sun and relax or to share good times and great events with family & friends. Come meet some new friends and neighbors or reconnect with some old ones. Relationships are Built Here!

History

Since 1961, GHCC has been a vital part of the community. Originally intended as a convenient amenity for neighborhood families, the Club has grown into a local tradition. Today's parents are now bringing their own kids to the same pool they grew up with. Over the years, the Club has seen many changes, but we're still your best bet for spending some quality time with your family, friends and neighbors in a safe and friendly environment.

About

Greenwood Hill Community Club is a 501(c)7 non-profit organization that operates and maintains a social club on a cooperative basis by its members. The club operates a seasonal swimming pool with swim lessons and provides opportunities for year-round activities and events such as; fitness programs, family and adult centered special events, unique classes, social outings, and leagues & tournaments. The Club is also available for semi-private & private rentals ranging from birthdays to corporate events.

Board of Directors

The business and property of the Club is managed by an unpaid, voluntary Board of Directors, which is elected by the membership and consists of no less than five (5) members who are elected to three-year terms.

Facility Amenities

One of the biggest attractions of the club is swimming. GHCC offers an 160,000-gallon **pool** with a **diving well** and a covered 'toddler' **wading pool** for the younger kids. The pool deck offers more than enough seating with loungers, tables & chairs and umbrellas for the moments you need to escape the sun. Other seating areas surrounding the pool deck are (4) large **covered pavilions**, (3) pads and (1) covered pergola. Each has a pair of picnic tables for gathering and eating some great food cooked on one of the Club's (4) **gas grills**. These areas are available on a first-come, first served basis and can be reserved for a small fee. Since we are talking food, you are more than welcome to **bring your own food and beverages** onto the grounds, and we also have a **concession stand** making available snacks and drinks for purchase. For non-water sports GHCC has a professional sand **volleyball court**, **Nine Square-in-the-Air** and other **lawn games**. The Club also offers (as available) fitness **classes**, swim **lessons**, **camps**, **clinics**, and host year-round **special events** & social functions. If you are not in the mood to be social the club also offers **free Wi-Fi**.

Swim Season

The swim season starts the Saturday of Memorial Day weekend and runs through the Monday of Labor Day weekend, and unlike Richardson's public pools and country clubs, the Club affords you the opportunity to bring your own food and drinks, *including* adult beverages. There are gas barbeque grills available for the summer tradition of cooking out. You just won't find a more affordable or fun option in the area. GHCC traditionally offers three annual pool parties on the weekends of Memorial Day, Independence Day & Labor Day. These family friendly gems should not to be missed.

Year-Round Activities, Events & Classes

It's not just a pool, fool.... and sometimes it's not a pool at all, it's a tree house without a tree! As a year-round social club GHCC has several established annual events like The Polar Bear Plunge and holds other events such as Fire Pit Fridays, a Halloween Social, along with other various activities and classes. Other social activities such as a **Chili Cook-off** and **Mudbug Madness** are scheduled as member interest dictates.

Who Owns the Club?

So...to answer the question, "Who owns the Club?" You do! We all do! The Club is a membership supported community club, which is managed, marketed and maintained by the membership on a voluntary basis. Suggestions, ideas, creativity, comments and compliments are encouraged.

Membership Types

The club offers annual memberships which means that as a member you are entitled to use the grounds per the member bylaws and regulations outlined in this handbook. Details are further outlined on the website.

Rentals & Reservations

Greenwood Hills Community Club offers a few different options for on-site event rentals. The Club facility is available during regular swim hours for small-to-medium-sized parties as well as during off-hours for private groups and/or larger-sized parties. All requests are considered on a first-come, first-served basis and there are no rain dates. Adult to kid ratios always apply: (6) & under; 1 adult per 3 kids, Over (6); 1 adult per 7 kids.

More information on the rents & reservations schedule can be found in [Appendix: E](#)

Member Communications

GHCC uses email, Facebook, Twitter, Instagram, and sometimes YouTube to communicate with members of the pool. At least one person from each membership must be signed up to receive email, but we like communicating to all of our members, not just the boss lady. Email is used for official GHCC communications only. Don't you want to know about upcoming events, about pool closings, workdays so you can get your volunteer hours completed. Plus, you don't want to miss out on what "Wildcard" might say in his next video... just say'n!

Most other relevant information is available on our public website, www.ourpool.org. Our Twitter feed is for those who like instantaneous information about unscheduled pool closings (and re-openings). You can receive tweets directly to your phone as a text message or more conventionally direct to your own Twitter feed. Naturally, we aim to keep those messages to a minimum. We will also make post on Facebook Instagram is a great way to share photos. If you need help with Instagram, ask your kiddos (sorry no Shapchat).

As a member, you have a say in how the pool is run. Please feel free to email any member of the board and set up an appointment to talk with us. There are also official opportunities to have a say. Join a committee, run for a board seat or signup to discuss topics at a regular board meeting or meeting of the members.

Feedback

We take our fellow members experience at the pool very seriously and, as such, we encourage all complaints be referred to the manager on duty. If you believe your concern is not being addressed please follow-up with a board member. In addition, please let us know how we are doing by utilizing the following link:

Please remember this pool is owned by the members and for small things we ask that the members handle issues themselves.

Health & Safety

The Club carefully follows the recommendations for Healthy Swimming, as established by the Centers for Disease Control and Prevention (CDC). However, Healthy Swimming behaviors are also needed to protect you and your kids from the threat of Recreational Water Illnesses (RWIs). Learn more by visiting the CDC's website: www.cdc.gov/healthyswimming/index.htm.

If you or a family member has health concerns, or questions, contact a member of the Board of Directors.

Healthy Swimming

Healthy swimming is everyone's responsibility. Admission will be refused to all persons having an infection, disease, open sore, cold, sore or inflamed eyes, nasal or ear discharge or with any communicable disease.

Remember:

- Supervise all restroom trips.
- Hand washing is particularly critical before eating and after restroom trips.
- Make sure your kids are washing their hands properly, thoroughly and often.
- Stay out of the pool if you have been sick, particularly if you have diarrhea and for 2 weeks after the diarrhea has ceased.
- All kids who have the potential for a fecal accident in the pool are required to wear a Swim Diaper and a Swim Suit. No regular diapers.
- Do not change diapers at the Club anywhere except the restrooms.
- If you are aware of a diaper failure, a fecal or vomit accident or see any fecal matter in the pool, please and immediately notify a lifeguard.
- Take your kids on bathroom breaks often. Waiting to hear "I have to go" may mean it's too late.
- Wash the body (particularly diaper age kids) thoroughly with soap and water before swimming (especially the rear-end).

Failure to comply with the above is subject to the following disciplinary action(s): warning, fine, suspension or loss of membership.

If you or a family member has health concerns or questions contact a member of the Board.

Fecal Release

When there is a release of fecal matter into the pool it will be closed and the water will be treated with chlorine, referred to as "shocking" the pool. This process takes the chlorine to a high level to kill all bacteria. This level is beyond what is safe for immediate swimming. Depending on the temperature of the water and the exact chlorine level reached it can take up to 3 days for the levels to return to acceptable levels for swimming.

Please keep track of your young kids and make sure they are visiting & using the bathrooms regularly. This treatment cost upwards of \$500, not to mention lost revenues and more importantly your fellow members missed opportunity for FUN in the SUN!

Service Obligation

The Club has always operated on a cooperative basis, depending on its' members to maintain and improve the facilities and facilitate many of the day-to-day operations of the pool. Members' time and efforts help keep dues low and make our club a functional, clean, safe, and comfortable place to enjoy. When enough members don't pitch in, the club must outsource this work and that increases dues and other fees.

As a nonprofit organization, GHCC is run solely by volunteers with the exception of our lifeguards and gate operators. In order to keep our expenses & dues, to a minimum and still continue to improve our facility, we are in need of volunteers to help throughout the year. Some of the ways you can assist are:

1. Participate in a scheduled workday
2. Commit to one of the important seasonal job
3. Complete an occasional job (social or special event)
4. Serve on the board of directors;
5. Serve as a committee member.

Workdays for Club

Before each workday, we will send out an email to the membership outlining the tasks to be completed and the number of workers required. Members who want to participate should respond to the email.

Occasional Jobs

Project specific jobs mainly consist of maintenance, repair & professional service related items such as painting, plumbing, carpentry, electrical, architecture, landscape, graphic artist or other specialized skill. As these jobs arise an email will go out and they will be posted on the website for sign up.

Event specific jobs are necessary to the smooth operation and enjoyment of the clubs social & special events and activities. They include staffing the Welcome desk, game booths, food service, ticket sales, setup & cleanup, decorations, etc.

Seasonal Jobs

Choosing to work a Seasonal Job requires ongoing attention to a specific task over some or all of the year. It is a job that is based on the task rather than number of hours. Each and every one of the jobs is essential to the smooth operation of the pool, so we ask that you strongly consider signing up for one of these. We also ask that any person or family committing to a Seasonal Job please be sure to see the job through to the end. Without your service hours several amenities of the pool will no longer be available.

Lost & Found

Minor items such as t-shirts, socks, towels, goggles, and the like will be placed in the lost and found area next to the bathrooms. Every two weeks this area will be purged of any unclaimed items. Anything of major value such as a phone will be placed in the safe.

Appendix A: Policies & Procedures

The following policies & procedures are for the protection and benefit of all members. They have been established to ensure safe and sanitary operation of club facilities. Your cooperation in abiding by these conditions will afford pleasant relaxation and recreation for all. Members and their guest are expected to observe all policies & procedures and to obey all instructions from the Club staff & management. Parents are responsible for their kids knowing, understanding and adhering to all policies & procedures, and obeying instructions of the board, staff and/or management. In accordance with the procedure set forth in the Club's governing documents, failure to comply with any Club policy, procedure, rule, regulation, by-law or manual may result in a fine, cause immediate suspension of club privileges or cancellation of club membership. With proper communication to the membership, these policy & procedures may be revised or additions established at any time by the Board of Directors.

Board Meeting Attendance & Responsibilities

Regular Meetings occur once a month (3rd Sundays at 2:00 p.m.) and it is incumbent for board members to attend. If a board member misses two meetings in a row with or without written apologies to the chairman, the board can ask that person to resign. Each board member is expected to sit on at least one committee.

More information on board, officer & committee duties can be found in [Appendix F](#).

Membership

Membership is available to any person aged 19 or older, who resides within the boundaries of Dallas or Collin County, Texas, and considers such residence their homestead. Memberships are based on household size described as: an individual, parent(s), child dependent(s) & grandparent(s) living in same home. Not included in family memberships are: siblings, cousins, or nieces & nephews of a family member, nor visiting relatives or a divorced spouse. There are five household types:

1. Household or 1 (Sometimes called single or individual)
2. Household of 2
3. Household of 3
4. Household of 4
5. Household of 5 or more

There is only one membership type - Annual. Details are outlined on the website. Dues & fees are approved yearly by the board in accordance with member approved operating budget. Maintenance assessments may be levied; however, assessments are not intended to be regularly recurring fees. More information on the dues & fees schedule can be found in [Appendix D](#).

Application Process

A membership application must include somebody aged 19 or older. A membership constitutes an individual or individuals sharing a permanent, year-round household, living in the same house under the same roof and sharing the house's plumbing fixtures (such as toilets, sinks, tubs and showers) and the house's kitchen facilities. Dependent kids may be included on a membership, even if not sharing year-round housing. Visiting relatives, babysitters, summer guests, etc. may not be included as part of a membership group. Applicants shall not be denied membership based on the applicant's race, gender, marital status, disability, color,

national heritage or religious affiliation, but GHCC reserves the exclusive right to refuse membership to anyone for any other reason at any time.

To become a Member in good standing an applicant must complete the online sign-up process at www.ourpool.org and have fulfilled their payment obligations.

Payments & Refunds

GHCC prefers payment via credit card but will accept other forms of payment. A payment plan can be established. The website will contain details on payment.

No dues or fees shall be refunded in the event that the pool operation is required to be suspended or if membership privileges are required to be suspended or terminated. Any request for a refund of membership dues must be requested, in writing, by the member before it will be considered by the board.

Admissions

Admission will be refused to all persons having an infection, disease, open sore, cold, sore or inflamed eyes, nasal or ear discharge or with any communicable disease or who is not a member in good standing.

Member Admission Policies

Before being admitted to the Club each member aged two (2) and over, must be:

- A member in good standing;
- Be wearing their issued membership band;
- Sign in at the front desk.

Adult to kid ratios must be adhered to:

- (6) & under; 1 adult per 3 kids
- Over (6); 1 adult per 7 kids

Note: Lost membership bands can be replaced at the gate for a fee.

Guest Admission Policies

Guests must be accompanied by a member in good standing to be admitted to the Club. The accompanying member must sign in and pay before entering. Upon payment of the appropriate fee, each membership unit may bring up to eight (8) guests. For more than (8) guests, a rental or reservation must be made.

Facility Rentals

Greenwood Hills Community Club offers a few different options for on-site event rentals. The Club facility is available during regular swim hours for small-to-medium-sized parties as well as during off- hours for private groups and/or larger-sized parties. All requests are considered on a first-come, first-served basis and there are no rain dates.

Rentals are only available to members. If the renter is not already a member only a single membership must be purchased in order to rent the facility.

Additional Rental details can be found in [Appendix E](#).

Hours of Operation

The Club operates on a year-round basis. Hours of operation are contingent upon presence of staff, lifeguards, weather and other mitigating factors. The club reserves the right to close early for non-attendance or other special circumstances. During the swim season the pool has fixed hours, with special hours on holiday weekends and for the remainder of the year Club hours are activity based. Please be ready to leave the Club at closing time. Occasionally hours will be reduced to accommodate a private event.

More information on operational hours can be found in [Appendix C](#).

Early Closure of the Facility

Certain conditions, such as weather or fecal release may require closing the pool(s) or the entire grounds early. All members and guests must comply with requests of the club's staff and any member of the Board of Directors to vacate the pool(s) or grounds as described below.

Swimming Pool(s)

Criteria and duration for closing the pools include but are not limited to:

- GHCC uses the Weather Bug app that includes a Spark Lightning feature which identifies where the nearest strike of lightning has occurred. If there is lightning within a ten-mile radius of the grounds it will close for at least a half hour. The facility will remain closed for a half hour succeeding the last lightning strike within a ten-mile radius.
- Air temperature 67F degrees or below—reopening occurs when temperature reaches 68F
- High winds or other conditions deemed unsafe—reopening at the discretion of the Lifeguard manager in consultation with a member of the Board of Directors.
- The bottom of the pool is not visible from the chair or the deck—reopening occurs when the bottom of the pool is visible.
- Vomit, feces, or other contaminants in the pool—reopening occurs based on, Local and State Health codes.
- Too few lifeguards—reopening occurs when staffing levels are sufficient to ensure safety.

The Grounds

The Board of Directors, the onsite manager, and/or Club Captain in charge in consultation, have the discretion to close the entire facility early when circumstances warrant, for example, if it is highly unlikely that a storm system will pass in time to permit further use of the swimming pools or grounds, or if the weather becomes very windy, creating a hazard of falling or flying equipment or debris. If members are using the facility for a special event, such as a party and want to continue to the end of their reserved period under the overhang, they may ask that the facility remain open until then. Such request may be granted if adequate staff can remain and it is safe to do so.

Note: Occasionally regular swim hours will be reduced to accommodate a private event.

Appendix B: Rules & Regulations

The following rules and regulations are for the protection and benefit of all members. They have been established to ensure safe and sanitary operation of club facilities. Your cooperation in abiding by these conditions will afford pleasant relaxation and recreation for all. Members and their guest are expected to observe all rules and regulations and to obey all instructions from the Club staff & management. Parents are responsible for their kids knowing, understanding and adhering to all rules and regulations, and obeying instructions of the board, staff and/or management. In accordance with the procedure set forth in the Club's governing documents, failure to comply with any Club policy, procedure, rule, regulation, by-law or Club manual may result in a fine, cause immediate suspension of club privileges or cancellation of club membership.

With proper communication to the membership, these rules and regulations may be revised or additions established at any time by the Board of Directors.

Please supervisor your kids as sand in the pool will cause major damage to equipment resulting in the closure of the pool and replacement cost for the guilt party. More importantly; objects left in or buried in the sand or hidden depressions can cause serious damage to players. Any damage to the court, equipment or a player will be the responsibility of the membership unit at fault. The following disciplinary action will result for an above offense.

Appendix C: Hours of Operation

The Club operates on a year-round basis. Hours of operation are contingent upon presence of staff, lifeguards, weather and other mitigating factors. The club reserves the right to close early for non-attendance or other special circumstances. During the swim season the pool has fixed hours, with special hours on holiday weekends and for the remainder of the year Club hours are activity based. Please be ready to leave the Club at closing time. Occasionally hours will be reduced to accommodate a private event.

Beach Hours

Beach privileges allow for year-round play any day of the week from until 11:00 p.m. as long as there is a Club Captain to open and close the facility and supervise play.

Swim Hours

The swim season begins Saturday of Memorial Day weekend and runs through Labor Day. It is closed on Tuesdays and may be closed at any other time due to rental, weather, operational issues and/or at the discretion of the pool manager, Board and or Club Captain in charge. Please plan to leave the Club by closing time as we have private rentals after hours.

Toddler Swim

MONDAY & WEDNESDAY from 10:00 am to 1:00 pm. please note deep-end and diving well will not be open, and lifeguard staff will be limited. While these mornings are perfect for parents with kids 6 and under, anyone is welcomed.

Regular Swim Hours

- Monday 1:00 p.m. to 6:00 p.m.
- Tuesday Closed
- Wednesday 1:00 p.m. to 8:00 p.m.
- Thursday 1:00 p.m. to 8:00 p.m.
- Friday 1:00 p.m. to 9:00 p.m.
- Saturday 12:00 p.m. to 9:00 p.m.
- Sunday 2:00 p.m. to 8:00 p.m.

The pool will be closed to swimming 20 minutes prior to closing time. Hours are subject to change based on rentals, needed closer or attendance. The snack shack will only be opened during safety swim and will not be open the last hour the pool is open.

Early Closure of the Facility

Certain conditions, such as weather or fecal release may require closing the pool(s) or the entire grounds early. All members and guests must comply with requests of the club's staff and any member of the Board of Directors to vacate the pool(s) or grounds as described below.

Swimming Pool(s)

Criteria and duration for closing the pools include but are not limited to:

- GHCC uses the Weather Bug app that includes a Spark Lightning feature which identifies where the nearest strike of lightning has occurred. If there is lightning within a ten-mile radius of the grounds it will close for at least a half hour. The facility will remain closed for a half hour succeeding the last lightning strike within a ten-mile radius.

- Air temperature 67F degrees or below—reopening occurs when temperature reaches 68F
- High winds or other conditions deemed unsafe—reopening at the discretion of the Lifeguard manager in consultation with a member of the Board of Directors.
- The bottom of the pool is not visible from the chair or the deck—reopening occurs when the bottom of the pool is visible.
- Vomit, feces, or other contaminants in the pool—reopening occurs based on, Local and State Health codes.
- Too few lifeguards—reopening occurs when staffing levels are sufficient to ensure safety.

The Grounds

The Board of Directors, the onsite manager, and/or Club Captain in charge in consultation, have the discretion to close the entire facility early when circumstances warrant, for example, if it is highly unlikely that a storm system will pass in time to permit further use of the swimming pools or grounds, or if the weather becomes very windy, creating a hazard of falling or flying equipment or debris. If members are using the facility for a special event, such as a party and want to continue to the end of their reserved period under the overhang, they may ask that the facility remain open until then. Such request may be granted if adequate staff can remain and it is safe to do so.

Note: Occasionally regular swim hours will be reduced to accommodate a private event.
